MANUAL FEED-IN APPROVAL APPLICATION FORM (BIOMASS)

For office use only: Reference No. : Serial No. : Date received :/...../..... Time received : Receiving Officer :	Please submit your application form to: Sustainable Energy Development Authority Malaysia Galeria PjH Aras 9, Jalan P4W Persiaran Perdana Presint 4 62100 Putrajaya, MALAYSIA Tel No.: 03 – 8870 5800 Fax No.: 03 – 8870 5900
--	---

Please tick (✓) in the applicable boxes.

Information on Applicant

Name of Applicant: _____

MyKad No./Passport No./Registration No. _____

(or if not available, Service Tax Registration No.)¹: _____

e-PBT No.²: _____

Information on New or Existing Project

Renewable Resource: Biomass

Project Status:

- New Project
 Existing Small Renewable Energy Program (SREP) project (post commercial operation date (COD))
 Existing SREP project (pre-COD)

Total Installed Capacity (MW³): _____

Net Export Capacity (MW): _____

Voltage level at Connection Point:

- Low voltage
 Medium voltage
 High Voltage

Connection Type:

- Low voltage direct connection
 Medium voltage direct connection
 High voltage direct connection

¹ Not applicable to local authorities.

² Applicable to local authorities only.

³ 1MW = 1,000 kW

Sustainable Energy Development Authority Malaysia (SEDA Malaysia)

Galeria PjH, Aras 9, Jalan P4B, Persiaran Perdana, Presint 4, 62100 Putrajaya

T : +603 - 8870 5800 F : +603 - 8870 5900 E : info@seda.gov.my

Name of Distribution Licensee: _____
(e.g.: TNB, SESB, etc.)

Applicable criteria for bonus feed-in tariff rate in addition to basic feed-in tariff rate (if any):

- Use of gasification technology
- Use of steam-based electricity generating systems with overall efficiency of above 20%
- Use of locally manufactured or assembled boiler or gasifier
- Use of municipal solid waste as fuel source

Location of RE Project Site

UPI (Universal Parcel Identifier) Location

District: _____
Sub-district / City / Town: _____
Section: _____
Lot / PT. No: _____

Project Site Address

Address: _____
Postcode: _____ District: _____
State: _____

Please enter the GPS location of project or attach site map. If entering GPS location, please enter the latitude and longitude coordinates in degrees, minutes and seconds format (DDMMSS) (e.g. Latitude: 5° 18' 56.9802", Longitude: 103° 7' 16.647").

Latitude: _____ ° _____ ' _____ " Longitude: _____ ° _____ ' _____ "

Site Ownership: Fully Owned Owned (Charged to Bank) Leased

Owner of the project site (if leased): _____

The Applicant is required to provide documents proving the Applicant's ownership of the site, or other conditional or unconditional rights (e.g. letter or agreement) that the Applicant has to utilise/lease the site for a minimum period equivalent to the effective period.

Current site activities: Agriculture Commercial Industrial
 Others

Contractor

This section is only applicable to new projects and existing SREP projects (pre-COD).

Details of service provider⁴

Company Registration No.: _____
Company Name: _____
Business Address: _____
City: _____ Postcode: _____
State: _____
Telephone No: _____ Fax No: _____
E-mail: _____ Website: _____

Project manager⁵ (if any)

Name of project manager: _____
Nationality: _____
MyKad No. / Passport No.: _____
Telephone No: _____ Mobile No: _____
Email: _____

Qualified Persons⁶

Qualified Person 1

Name of Qualified Person: _____
MyKad No./Passport No.: _____
Organisation or Company
Name: _____
Company Registration No.
(if any): _____
Telephone No: _____ Mobile No: _____
Email: _____

⁴ The service provider can be a main engineering procurement and construction contractor, system integrator or technology provider based in Malaysia. The Applicant may also be its own service provider provided that its employees possess the applicable qualifications. A service provider may also be one of the qualified persons.

⁵ The project manager can be an employee of either the Applicant or the service provider.

⁶ Persons tasked by the Applicant with the carrying out of any work, action, certification, obligation or responsibility to the compliance with any provisions of any subsidiary legislation made pursuant to the Renewable Energy Act 2011. The Applicant is required to provide evidence of qualifications of qualified persons consistent with the requirements of the Renewable Energy (Technical and Operations) Rules 2011.

3.		
4.		
5.		

Please attach scanned soft copy of the letter(s) of intent/offer letter(s)/term sheet(s) from the entity/(ies) that will be providing renewable resources to the Applicant for the project.

Start Up Diesel Gas Petrol
Fuel: (if any) Others: _____

¹² The total sum of this column must be equivalent to 100% of the renewable energy installation's fuel requirements.

Financing

This section is only applicable to new projects or existing SREP projects (pre-COD).

A. Projected Capital Expenditure

1. Equipment Cost:

Description	Cost (RM)
Fuel processing equipment	
*Boiler	
*Gasifier	
*Pyrolysis	
Steam turbine equipment	
Generator	
Balance of system	
Gas engine	

* If applicable

2. Installation Cost (RM):

3. Design & Consultancy (RM):

4. Interconnection Cost (RM):

5. Preliminary Cost (RM):

6. Other Capital Cost (Please specify):

Description	Amount (RM)

Total Capital Cost (RM):

Summation of Section A (No. 1 – 6)

Sustainable Energy Development Authority Malaysia (SEDA Malaysia)

Galeria PjH, Aras 9, Jalan P4B, Persiaran Perdana, Presint 4, 62100 Putrajaya
T : +603 - 8870 5800 F : +603 - 8870 5900 E : info@seda.gov.my

B. Loan

Do you require a loan? Yes No

If yes, please fill in financing information below.

Financier: _____
Loan Amount (RM): _____
Loan Interest (%): _____
Loan Tenure (years): _____

Please attach the conditional letter(s) of approval from the entity(ies) who will be providing financing to the Applicant for the project. Such conditional letters of approval should state, among others, that the entity(ies) has considered the Applicant's financing proposal and agrees to provide financing for the project subject to the grant of the feed-in approval to the Applicant.

Total equity contribution by the Applicant¹³

Equity (RM): _____ Percentage¹⁴ (%): _____

C. Projected Annual Operational Expenditure

1. Insurance Premium (RM): _____
2. Operation & Maintenance Cost (RM): _____
3. Fuel Cost at Site (RM): _____
4. Other Operating Cost (Please specify): _____

Description	Amount (RM)

Total Operating Cost (RM): _____
(Summation of Section C (No. 1- 4))

Project IRR

Project IRR (%): _____

¹³ Note for company only: As part of your Financial milestones, you will be required to upload a copy of your company's bank account latest 3 months statements showing a minimum credit balance of 5% of the capital cost of your project

¹⁴ Applicant's equity is limited to not less than 5% of the total project cost.

Proposed Work Plan¹⁵

Please select a proposed work plan¹⁶:

- Work Plan A: If Renewable Energy Installation will be connected to a Low Voltage Supply Line.
- Work Plan B: If Renewable Energy Installation will be connected to a Medium or High Voltage Supply Line.
- Work Plan C: If Renewable Energy Installation is an existing SREP project (post COD).

Work Plan A

No.	Milestones	Estimated Due Date
1.	Feed-in approval application submission date	
	Time frame: _____ Month ¹⁷ (s) _____ Week (s)	
2.	Registration of renewable energy power purchase agreement (REPPA) with the Sustainable Energy Development Authority Malaysia	
	Time frame: _____ Month (s) _____ Week (s)	
3.	Energy Commission public licence (provisional)	
	Time frame: _____ Month (s) _____ Week (s)	
4.	Financing Agreement	
	Time frame: _____ Month (s) _____ Week (s)	
5.	1 st Payment to Engineering, Procurement and Construction Contractor	
	Time frame: _____ Month (s) _____ Week (s)	
6.	Feed-in tariff Commencement Date	

¹⁵ Total duration must not exceed 36 months.

¹⁶ Applicants with an existing SREP project (pre-COD) are required to select Work Plan A or Work Plan B only.

¹⁷ Minimum time frame for registration of REPPA is 2 months

No.	Milestones	Estimated Due Date
1.	Feed-in approval application submission date	
	Time frame: _____ Month ¹⁹ (s) _____ Week (s)	
2.	Registration of renewable energy power purchase agreement (REPPA) with Sustainable Energy Development Authority Malaysia	
	Time Frame: _____ Month (s) _____ Week (s)	
3.	Energy Commission public licence (permanent)	
	Time frame: _____ Month (s) _____ Week (s)	
4.	Feed-in-tariff Commencement Date	

■ These data entries will be automatically calculated by the e-FIT Online System using the information submitted by the Applicant above.

¹⁹ Minimum time frame for registration of REPPA is 2 months

Supporting Documents Checklist

The certified true copies of the following documents are to be submitted in support of this application, where applicable²⁰.

1.	The detailed engineering design of the renewable energy installation, including all relevant calculations to justify the installed capacity and claimed efficiencies must be made available in CD and hardcopy to be delivered to SEDA Malaysia office within 7 working days of a successful submission of FiT application;	<input type="checkbox"/>
2.	Where applicable, the report on: a) the connection confirmation check (CCC) for any RE installation exceeding 12 kW up to and including 425 kW; or b) the power system study (PSS) for any RE installation of 425 kW and above; conducted in accordance with the Renewable Energy (Technical and Operational Requirements) Rules 2011;	<input type="checkbox"/> <input type="checkbox"/>
3.	The feed-in approval currently or previously held by the Applicant, if any;	<input type="checkbox"/>
4.	Documents proving the Applicant's ownership of the site , or other conditional or unconditional rights (e.g. letter or agreement) that the Applicant has to utilise/lease the site for a minimum period equivalent to the effective period;	<input type="checkbox"/>
5.	Applicable documents as required in column 3 of the First Schedule of the Renewable Energy (Feed-in Approval and Feed-in Tariff Rate) Rules 2011, for bonus feed-in tariff rate in addition to basic feed-in tariff rate, where the renewable energy installation has any one or more of the following criteria: i) use of gasification technology: - Relevant manufacturer's specifications and data sheet tested according to international standards by certified testing bodies as may be recognised by the Authority from time to time pursuant to guidelines, providing for the conversion of biomass	<input type="checkbox"/>

²⁰ The maximum page size for supporting documents is A3.

sincerely declare the following:

1. I am a representative of the Applicant and have been duly authorized to make this declaration on its behalf.
2. All information and accompanying documents submitted herein are true, accurate and complete. The Applicant is not aware of any other information or document which would make the documents submitted untrue or misleading. The Applicant understands and acknowledges that the omission of any relevant information or document, or the submission of any information or document that it knows or has reason to believe is false or misleading may result in the rejection of this application, the revocation of any feed-in approval granted pursuant to this application and/or shall constitute an offence committed by it under the Renewable Energy Act 2011 and/or its applicable subsidiary legislation.
3. The certified true copies of the documents identified in the Supporting Documents Checklist of the application form have been submitted by the Applicant to the Sustainable Energy Development Authority Malaysia in support of this application.
4. Any additional information that may henceforth be required will be submitted by **the Applicant** by electronic medium or by way of electronic transmission in accordance with guidelines issued

Sustainable Energy Development Authority Malaysia (SEDA Malaysia)

Galeria PjH, Aras 9, Jalan P4B, Persiaran Perdana, Presint 4, 62100 Putrajaya

by the Sustainable Energy Development Authority Malaysia. Such information shall include but is not limited to information relating to the milestones for the proposed renewable energy installation and the dates by which such milestones are to be achieved. The declaration I have made in paragraph 2 above shall be repeated for any additional information the Applicant may submit in accordance with this paragraph 4.

5. The Applicant will immediately notify the Sustainable Energy Development Authority Malaysia if the Applicant becomes insolvent.
6. A service provider may be appointed by the Applicant to make this application on its behalf but the Applicant shall be fully responsible for the contents thereof.
7. The Applicant hereby agrees to the Terms and Conditions of Use of the Sustainable Energy Development Authority Malaysia website. These terms include but are not limited to the restriction on divulging the e-FiT Online System username and password assigned to the Applicant to any third party and permitting or encouraging any unauthorised user to access the restricted section in the e-FiT Online System by using the username and password assigned to the Applicant.
8. The Applicant hereby agrees and consents to the full disclosure of the information submitted with this application and any additional information it may submit in accordance with paragraph 4 above to the Energy Commission and any service provider and/or financier identified by the Applicant. The Applicant also agrees and consents to the disclosure of such information to the distribution licensee whose electricity distribution network the proposed renewable energy installation is to be connected to, to the extent deemed appropriate by the Sustainable Energy Development Authority Malaysia. Such disclosure shall not be a breach of any confidentiality obligations owed to it by the Sustainable Energy Development Authority Malaysia.
9. The Applicant has read and understood all the rules and regulations as stipulated in the Renewable Energy Act 2011, its subsidiary legislation and SEDA's Guidelines & Determinations. This Application complies with the provisions of the Renewable Energy Act 2011 and subsidiary legislations made thereunder.
