

ONLINE TRAINING ON INTRODUCTION OF GRID-CONNECTED PHOTOVOLTAIC SYSTEMS FOR NON-TECHNICAL PERSONS

Limited Seats

23rd - 24th June 2021
9.00am - 1.00pm

Fee: RM 250

SEDA Malaysia provides an online training on Introduction to Grid-Connected Photovoltaic (PV) System. This course is open for those without any technical qualification who wish to learn and understand on how grid-connected PV system works and its applications. At the end of the course, it is hoped that participants will have better understanding on the system itself, how it works and performs in the local climate and its applications.
