Overview of SEDA

SEDA was established on 1st September 2011 under the **SEDA Act 2011 [Act 726]** with some of the following functions:

01

To advise the Minister & Government Entities on all matters relating to sustainable energy

02

To promote & implement national policy objectives for renewable energy

03

To promote, stimulate, facilitate and develop sustainable energy

04

To implement, manage, monitor & review the Feed-in Tariff (FiT) system

05

To implement sustainable energy laws and recommend reforms to such laws to the Federal Government

06

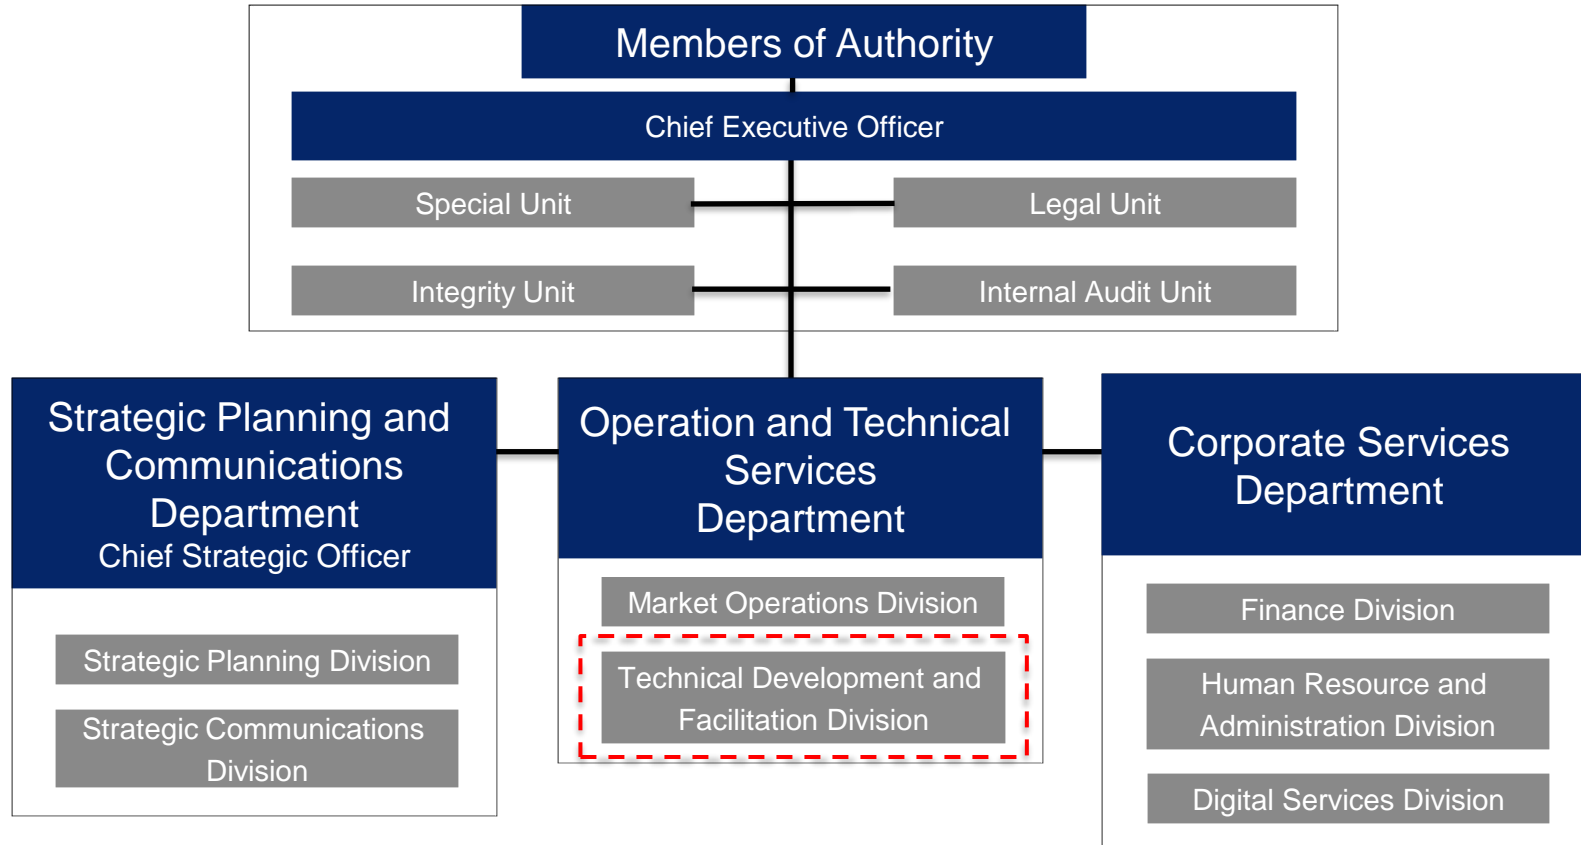

To promote private sector investment in sustainable energy sector

07

To act as focal point on matters relating to sustainable energy & climate change matters relating to energy

TEAM STRUCTURE

The Energy Audit Conditional Grant (EACG) is an energy efficiency programme under the **12th Malaysia Plan (RMK-12)** for the implementation year of 2021-2025.

or
Installation Owner**

Auditor

ESCO

Energy Service Company
Must be registered with ST

ELIGIBILITY

ELECTRICITY USAGE

Open to any commercial
and industrial
installation with
minimum monthly
consumption
100,000 kWh/month

NOT A PREVIOUS EACG APPLICANT

Not eligible for any
installation which has
**received a grant from
the previous Energy
Audit Conditional Grant**

AGREED TO APPOINT PERSON IN CHARGE

BENEFITS

Financial Assistance
(Grant)

Identify Potential
Energy Savings

FREE Facilitation

FREE Recognition

FREE Training

FREE Awareness

ENERGY MANAGEMENT & ENERGY AUDIT TRAINING

RECOGNITION - GreenPASS Certification

BENEFITS

TERMS AND CONDITIONS

ENERGY AUDIT PHASE

EMEER 2008:
REEM
NON-EMEER 2008:
PIC

Energy Audit = 2 months

EMEER : Efficient Management of Electrical Energy Regulations
REEM : Registered Electrical Energy Manager
EMIS : Energy Management Information System

IMPLEMENTATION PHASE

Reporting:
- Every 3 months to SEDA
- Every 6 months to EMIS System

Implementation Cost \geq Grant Applied

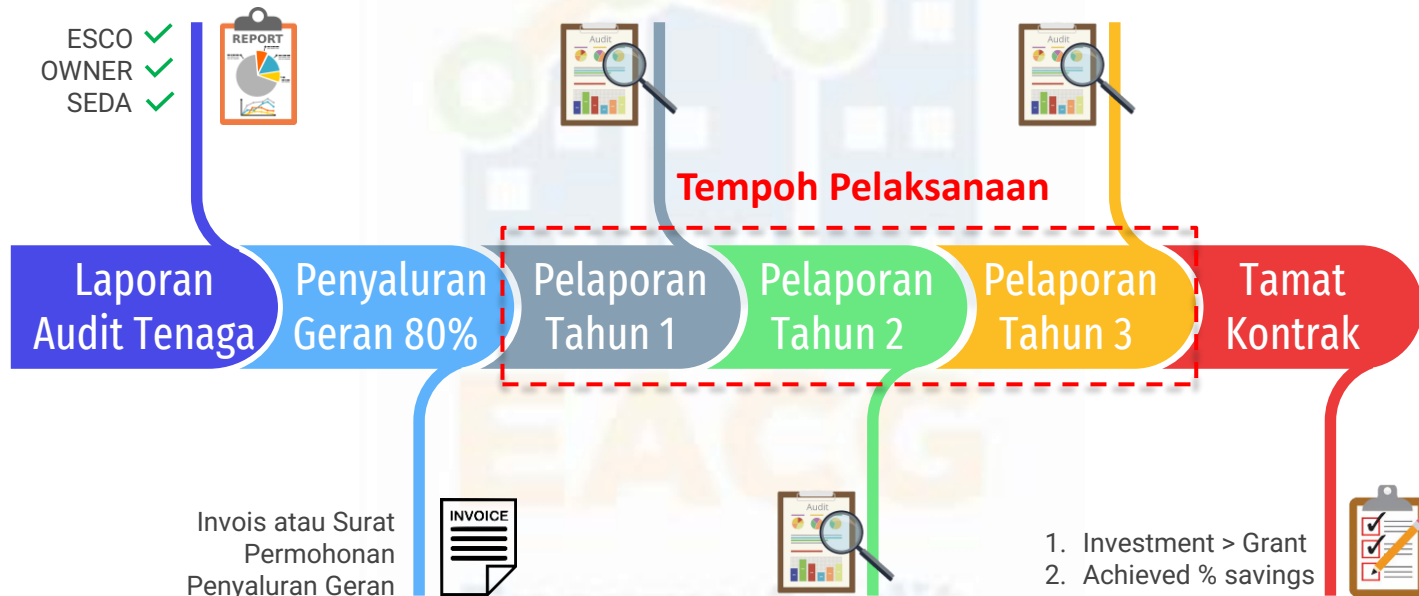

Target savings (%) are based on Energy Audit Report
