- (a) was not reasonably foreseeable at the time the Transferor applied for the abovementioned feed-in approval; and
 - (b) is not inconsistent with the matters set out in subsection 3(3) of the Renewable Energy Act 2011 Act.
3. Any additional information that may henceforth be required will be submitted by the Transferor by electronic medium or by way of electronic transmission in accordance with guidelines issued by the Sustainable Energy Development Authority Malaysia. The declaration I have made in paragraph 1 above shall be repeated for any additional information the Transferor may submit in accordance with this paragraph 3.
 4. The Transferor hereby agrees and consents to the full disclosure of the information submitted with this application to the Energy Commission. The Transferor also agrees and consents to the disclosure of such information to the distribution licensee whose electricity distribution network the existing or proposed renewable energy installation is or is to be connected to, to the extent deemed appropriate by the Sustainable Energy Development Authority Malaysia. Such disclosure shall not be a breach of any confidentiality obligations owed to it by the Sustainable Energy Development Authority Malaysia.
 5. This application to transfer the Transferor’s feed-in approval shall be without prejudice to any other feed-in approval(s) held by the Transferor. The Transferor understands that in transferring this feed-in approval to the abovementioned transferee that the Transferor is no longer a feed-in approval holder for the abovementioned renewable energy installation under the Renewable Energy Act 2011 and/or its applicable subsidiary legislation.
 6. The Transferor hereby agrees to upload a copy of this duly signed Declaration Form onto the e-FiT system and deliver the original copy of this duly signed Declaration Form to Sustainable Energy Development Authority Malaysia within 7 calendar days from the date of this Declaration Form.
