

Merge Jati Engineering Product Range

Product	Model	Technical Specification
Water Tube Boiler (Membrane Wall Design)	ADVANCE EMPIRE	<ul style="list-style-type: none"> • Steam: saturated/superheated • Wall type: membrane/brick • Grate type: fixed/moving • Fuel feeder: pendulum/auger • Air preheater: included/excluded • Economizer: included/excluded • Air Pollution Control Equipment: Multicyclone, ESP • Chimney Height: Calculated based on THIRD EDITION OF THE 1956 CLEAN AIR ACT MEMORANDUM
Water Tube Boiler (Brick Wall Design)	ADVANCE BAB	
Combination Boiler	ADVANCE COMBI	<ul style="list-style-type: none"> • Grate type: fixed/moving • Fuel feeder: pendulum/auger • Air preheater: included/excluded • Economizer: included/excluded • Air Pollution Control Equipment: Multicyclone, ESP • Chimney Height: Calculated based on THIRD EDITION OF THE 1956 CLEAN AIR ACT MEMORANDUM
Firetube Boiler (Package Boiler Design)	ADVANCE MINSTER	<ul style="list-style-type: none"> • Fuel: natural gas/diesel • Economizer: included/excluded • Chimney Height: Calculated based on THIRD EDITION OF THE 1956 CLEAN AIR ACT MEMORANDUM
